Appendix H: Appointment of Attorneys in *Pro Se* Civil Actions

The following procedures shall govern the appointment of attorneys to represent *pro se* parties in civil actions who lack sufficient resources to retain counsel.

The following procedures shall not govern the appointment of attorneys to represent *pro se* petitioners seeking a writ of habeas corpus on the ground they are in custody in violation of the Constitution or laws or treaties of the United States pursuant to 28 U.S.C. § 2254, or to *pro se* petitioners moving to vacate, set aside or correct their sentences pursuant to 28 U.S.C. § 2255. The appointment of attorneys in such cases shall be governed instead by 18 U.S.C. § 3006A, and counsel furnishing representation in such cases shall be selected from a panel of attorneys designated by the Court pursuant to 18 U.S.C. § 3006A(b) and its Criminal Justice Act Plan.

1. Civil *Pro Bono* Panel. There shall be a panel of attorneys who are willing to accept appointment to represent *pro se* parties in civil actions when such parties lack the resources to retain counsel. Appointment shall be made by the Office of the Clerk in accordance with the written procedures there on file, except that in special circumstances the Judge may appoint counsel directly.

2. Committee on Civil *Pro Bono* Litigation. The Chief Judge shall annually appoint a committee on civil *pro bono* litigation to oversee the operation of the *Pro Bono* Panel. This Committee shall include at least one United States District Judge, one United States Magistrate Judge, and representatives of the District of New Jersey bar who practice primarily in federal courts. The Committee shall oversee the Civil *Pro Bono* Panel established herein, recruit new members to the Panel and expert witnesses willing to accept reduced fees, provide training opportunities for Panel members, and annually report to the Chief Judge on the operation and utilization of the panel, recruitment, and recommended changes for improving the operation of the Panel.

3. Composition of the Civil *Pro Bono* Panel. The Civil *Pro Bono* Panel will consist of the following:

a. Attorney Instructors in Law School Clinical Programs. An attorney working with a clinical program from a law school accredited by the American Bar Association and located in the District of New Jersey may apply to participate by completing the appropriate forms available from the Clerk. In the application the attorney shall set forth, among other things:

1. that the attorney is in good standing in the District of New Jersey;
2. the number of cases per calendar year the attorney is willing to accept for the clinical program;
3. the preference for appointment among the types of actions (e.g., social security appeals, inmate civil rights, other civil rights, and miscellaneous);
4. the number of students involved in the clinical program;
5. the ability of the attorney and the clinical program to represent non-English-speaking clients;
6. the name of the supervisor of the clinical program.

b. Law Firms. Law firms, including public interest law firms, may apply to participate in the panel as firms by completing an application which sets forth, among other things:

1. the number of appointed cases per calendar year in which the firm is willing to accept appointment;
2. the names of the participating attorneys;
3. the ability of participating attorneys to represent non-English-speaking clients;
4. the firm's preference for appointment among various types of actions;
5. the name of the firm's attorney who will serve as the panel liaison.

Any matter assigned to a firm shall be directed to that firm's panel liaison, who, in turn, shall assign the matter to an attorney with that firm. Appearance in the action may be entered by either the firm or the assigned attorney, at the firm's option. The liaison, however, shall inform the Clerk, in writing, of the name of the attorney actually handling the matter.

c. Individual Attorneys. Attorneys who are willing to accept appointment to represent *pro se* parties shall submit an application setting forth, among other things:

1. the number of appointed cases per calendar year the attorney is willing to accept;
2. a description of the attorney's prior civil trial experience, including number of trials and areas of experience;
3. whether the attorney is able to represent non-English-speaking clients;
4. the attorney's preference for appointment among various types of actions.

d. Review of Applications. The Committee on Civil *Pro Bono* Litigation shall review all applications received and shall appoint attorneys to the panel when appropriate. The Committee may remove an attorney or firm from the panel at any time.

e. Amendment or Withdrawal. Information on an application may be amended at any time by letter. An attorney or firm may by letter withdraw from the panel at any time, subject to paragraphs 5 (Relief from Appointment) and 6 (Responsibilities of the Appointed Attorney).

4. Appointment Procedure

a. The Office of the Clerk shall advise and assist any party appearing *pro se* in filing an *in forma pauperis* affidavit. The Clerk shall notify every party who has been granted *in forma pauperis* status pursuant to 28 U.S.C. § 1915 and is appearing *pro se* of the opportunity to apply in writing to the assigned judge for the appointment of counsel. The Clerk shall enclose with such notice a copy of this Rule and a form application for appointment of counsel. If the party is an inmate and the case falls within a category for which this Court has provided that standard discovery shall occur, the Office of the Clerk shall provide the relevant forms to the party, who will be responsible for serving them, but no request for standard discovery shall issue in cases deemed frivolous under 28 U.S.C. § 1915A.

b. The Clerk shall identify each case in one of the following categories: social security appeals, employment discrimination actions, inmates' civil rights, other civil rights, and miscellaneous.

c. Upon the filing of an Application for Appointment of Counsel, the Judge or Magistrate Judge (hereinafter the term "Judge" also includes Magistrate Judges) to whom the action is assigned shall determine whether and when a panel attorney should be appointed to represent the *pro se* party. The Judge may also make this determination at any time *sua sponte*. In making this determination the Judge shall consider all relevant materials, including the standard discovery, if any, obtained by the litigant.

d. Whenever the assigned Judge concludes that appointment of counsel is warranted, the Judge shall refer the case to the Clerk for appointment of an attorney from the Civil *Pro Bono* Panel. In special circumstances, the Judge may appoint counsel directly, in which case the Judge shall notify the Clerk of that appointment. Assignment of cases to attorneys on the Civil *Pro Bono* Panel shall not be made without prior agreement by the attorney. Assignments to attorneys representing law school clinical programs will be made at appropriate times during the school's academic year.

e. The Clerk will select a law intern or attorney from the appropriate list unless the Judge orders appointment of a specific attorney. Assignments to law firms and attorneys will be made randomly throughout the year.

f. Before referring a case to a law firm or an attorney, the Clerk shall determine whether the litigant has any other case pending before the Court and whether an attorney has been appointed in such case. Where an appointed attorney is already representing the litigant in a prior action, such attorney is encouraged but not required to represent the litigant in the new action.

g. Once an attorney has agreed to accept an appointment, the Clerk shall immediately send written notice of the appointment to the selected law firm or attorney. Copies of the pleadings filed to date, any responses by the Department of

Corrections to standard discovery served by a *pro se* inmate, and relevant correspondence and other documents shall accompany such notice. Upon receipt of such notice, the appointed attorney shall promptly review the matter and enter an appearance in the action.

h. The Clerk shall also send immediate written notice of the appointment, including the name, address, and telephone number of the appointed attorney, to the party for whom the appointment is made and to all other parties in the action.

5. Relief From Appointment

a. An appointed attorney may apply to be relieved from appointment, on the following grounds:

- (i) A conflict of interest precludes the attorney from representing the party;
- (ii) the attorney believes that he or she is not competent to represent the party in the particular type of action assigned;
- (iii) a personal incompatibility exists between the attorney and the party, or a substantial disagreement exists between the attorney and the party concerning litigation strategy; or
- (iv) the attorney believes that the party is proceeding for the purposes of harassment or malicious injury, or that the party's claims or defenses are clearly unsupported by fact, are unwarranted under existing law, or cannot be supported by good faith argument to extend, modify, or reverse existing law.

b. If, at any time, the appointed attorney discovers that the party is or has become able to pay for legal services, the attorney shall bring this information to the attention of the assigned Judge. The Judge may thereupon relieve the attorney from the appointment and permit the party to retain another attorney, to proceed *pro se* or to continue with the appointed attorney, but on a paying basis.

c. Any attorney who seeks to be relieved from an appointment under 5a(i) or (ii) shall first make that request in writing to the client, setting forth the reasons therefor. If the client consents to the attorney's request to be relieved, the attorney, upon presenting such facts to the assigned Judge, shall be relieved.

d. If a client objects to an attorney's request to be relieved under 5a(i) or (ii), the attorney shall promptly submit his or her request in writing to the assigned Judge, along with a statement of the reasons for the request. The assigned Judge shall then decide whether to grant the request. Any request under this section, and the decision thereon, shall remain confidential and may not be made available to the other parties to the litigation.

e. If an application for relief from appointment is consented to or granted, the Judge may appoint or direct the Clerk to appoint another attorney from the panel to represent the party.

6. Responsibilities of the Appointed Attorney

a. Upon receiving an appointment, the attorney shall promptly communicate with the newly represented party concerning the action.

b. If, after reviewing the file and initial conference with the *pro se* litigant, the attorney concludes that he or she [cannot accept] must withdraw from the appointment because of the grounds enumerated in Section 5a(iii) or (iv), the attorney shall file a Notice of Withdrawal with the Court, with proof of service upon the client, stating without identification of reasons that "grounds for relief from appointment under 5(a)(iii) or (iv) exist" and return the case to the Clerk.

c. The appointed attorney should discuss the merits of the dispute with the party and explore with the party the possibilities of resolving the dispute by other means, including but not limited to administrative remedies.

d. If, after consultation with the appointed attorney, the party decides to prosecute or defend the action, the appointed attorney shall proceed to represent the party in the action, unless or until the attorney-client relationship is terminated as provided herein.

7. Discharge. A party for whom an attorney has been appointed shall be permitted to relieve the attorney from the representation. The party may ask the Judge to discharge the attorney. Upon a showing by affidavit of satisfactory reasons, the Judge may appoint a new attorney.

8. Expenses. The appointed attorney or the firm with which he or she is affiliated may advance the expenses of the litigation. Appointed *pro bono* attorneys or firms may apply to the Judge during the litigation or within a reasonable period thereafter for reimbursement of costs reasonably incurred in connection with the litigation, not including attorneys' fees, to be paid from the *Pro Bono* Fund ("Fund") and the Attorneys' Admission Fee Account ("Account"). Reimbursement shall be granted to the extent that funds are available for this purpose in the Fund and Account for all expenses reasonably incurred and not reimbursed by the opposing party pursuant to an Order of the Court. It shall be irrelevant to the application for reimbursement whether the attorney's client prevailed.

a. The Court should generally approve motions by the appointed attorney or stipulations designed to reduce discovery expenses, such as taking depositions by other than use of a stenographic transcript, for example by tape recorder or telephone. *See* Fed. R. Civ. P. 30(b)(7).

b. To the extent practicable and where the client is a prisoner, pretrial proceedings in which the prisoner's participation is permitted shall be conducted by telephone, video conference, or other telecommunications technology without removing the prisoner from the facility in which he or she is confined. *See* 42 U.S.C. § 1997e(f)(1).

c. On request to the Clerk, the appointed attorney may use the Court's video conferencing facilities to communicate with a client who is a prisoner in a facility that has confidential video conferencing capabilities.

d. Appointed attorneys are encouraged to seek free or reduced costs for depositions from the National Court Reporters Association, and free or reduced cost expert reports and/or witnesses from a list which shall be maintained by the Committee on Civil *Pro Bono* Litigation and shall be available from the Clerk.

9. Compensation for Services

a. If the action is one for which compensation for legal services may become available to the appointed attorney by statute and be deductible from any recovery, the Clerk shall furnish information regarding such facts to the *pro se* party at the time the appointment is made. The Clerk shall also inform the party that any statutory fee award may be made only by the Judge upon application of counsel.

b. *Pro se* litigants in social security disability cases shall be specifically advised by the Clerk that a statutory attorney's fee may be awarded to be paid from the award, if any, of retroactive disability benefits.

c. Upon appropriate application by the appointed attorney, the Judge may award attorney's fees to the appointed attorney or legal clinic for services rendered in the action, as authorized by applicable statute, regulation, rule, or other provision of law, and as the Judge deems just and proper.

10. Duration of Representation

a. An appointed attorney shall represent the party in the action in the trial court from the date he or she enters an appearance until he or she has been relieved from appointment by the Court or until a final judgment is entered in the action and reasonable efforts are made to enforce the judgment. The attorney shall, if it is appropriate in his or her judgment or requested by the litigant, file a notice of appeal from a final judgment as well as any post-trial motions.

b. If the party wishes to take an appeal from a final judgment or appealable interlocutory order, or if such judgment or order is appealed by another party, or if the matter is remanded to an administrative forum, the appointed attorney is encouraged but not required to represent the party on the appeal and in any proceeding, judicial or administrative, that may ensue upon an order of remand. If the attorney declines to perform such additional services, the client and the Court shall be notified in writing.

11. Training

The Committee on Civil *Pro Bono* Litigation shall, in cooperation with the New Jersey Bar, organize and conduct educational programs and prepare educational materials to train and advise attorneys on the Civil *Pro Bono* Panel in the preparation and trial of the most common types of civil actions involving *pro se* parties brought before the Court.

12. Annual Review

At the end of each fiscal year, the Clerk of the Court shall report to the Chief Judge, the Board of Judges, and the members of the Committee on Civil *Pro Bono* Litigation the following statistics broken down by type and judicial assignment:

- a. the number of civil cases filed *in forma pauperis*, excluding petitions filed pursuant to 28 U.S.C. §§ 2241, 2254, and 2255;
- b. the number of applications for appointed counsel filed;
- c. the number of orders of appointment entered;
- d. the number of applications for withdrawal filed;
- e. the number of applications for withdrawal granted;
- f. the number of applications for withdrawal denied; and
- g. the number of appointments made subsequent to withdrawal of counsel.

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY

APPENDIX I
TO THE CRIMINAL JUSTICE ACT PLAN

PLAN FOR THE COMPOSITION, ADMINISTRATION, AND
MANAGEMENT OF THE PANEL OF PRIVATE ATTORNEYS
UNDER THE CRIMINAL JUSTICE ACT

I. INTRODUCTION

Pursuant to the Guidelines for the Administration of the Criminal Justice Act and the District of New Jersey Criminal Justice Act Plan, the United States District Court for the District of New Jersey has established the following "Plan for the Composition, Administration, and Management of the Panel of Private Attorneys Under the Criminal Justice Act."

II. COMPOSITION OF PANEL OF PRIVATE ATTORNEYS

A. PANELS

1. Approval

The Court shall establish one panel of private attorneys (hereinafter referred to as the "CJA Panel") who are eligible and willing to be appointed to provide representation under the Criminal Justice Act. The Court shall approve attorneys for membership on the panel after receiving recommendations from the "Panel Selection and Management Committee," established pursuant to paragraph II(B) of this Plan. Any attorney aggrieved by the decision on his or her application may present a written grievance to the Committee for review and decision and that decision can be appealed to the Court.

2. CJA Panel

A. Size

The CJA Panel established by the Court shall consist of one hundred (100) attorneys, divided by vicinage, with sixty (60) attorneys for the Newark vicinage, twenty (20) attorneys for the Trenton vicinage, and twenty (20) attorneys for the Camden vicinage. The division by vicinage shall not prohibit the Court where appropriate from appointing a panel member from one vicinage to serve in another vicinage, nor prohibit the Court on the basis of geographic considerations from allowing a panel member to serve in more than one vicinage. The Court may from time to time, on recommendation of the Panel Selection and Management Committee, redetermine the number of attorneys on the CJA Panel and/or the number of attorneys serving in each vicinage.

B. Term

Each panel member shall serve for a term of three (3) years, except that the initial panel shall serve staggered terms as follows: one-third of the members of the initial panel shall serve for one (1) year, another one-third shall serve for two (2) years, and the remaining one-third shall serve for three (3) years. Any member of the initial panel or subsequent panels whose term expires may be reappointed or replaced, as determined by the Panel Selection and Management Committee.

C. Eligibility

i. General Requirements

Attorneys who serve on the CJA Panel must be members in good standing of the bar of this Court, and have demonstrated experience in, and knowledge of, the Federal Rules of Criminal and Appellate Procedure, the Federal Rules of Evidence, the Sentencing Guidelines, and the local rules of both the District and Circuit Courts.

ii. Specific Requirements for CJA Panel

All attorneys seeking initial membership on the CJA Panel must meet the following minimum eligibility requirements:

- a. 1. at least two (2) years in a public defender or prosecutor's office, either state or federal
OR at least three (3) years in private practice, during which time the attorney was involved in at least 20 criminal cases in either state or federal court, 5 of which were state or federal felony trials ;
AND

2. attendance at two (2) hours of seminar training on sentencing guideline topics within one year prior to the application;
AND

3. attendance at two (2) hours of seminar training on federal criminal

defense topics within two years prior to the application;

OR

- b.
 - 1. at least two (2) years admission to the bar during which time the attorney was involved in at least 5 criminal cases in either state or federal court, 1 of which was a state or federal felony trial; AND
 - 2. participation in the CJA training program established in sections 2(D) of this Appendix; AND
 - 3. participation in at least two (2) hours of seminar training on federal sentencing guidelines topics; AND
 - 4. participation in at least four (4) hours of seminar training on topics relating to the defense of federal criminal cases.

D. Second Chair Training Procedure

Attorneys seeking membership on the CJA Panel who need experience to meet the eligibility requirements may pursue a second chair assignment. A list of CJA Panel attorneys expressing a willingness to accept a second chair will be maintained by the Clerk of the Court. Attorneys seeking membership on the CJA Panel who need second chair experience to meet their eligibility requirements will be responsible for calling both the Clerk of the Court and the attorney(s) with whom they wish

to second chair.

All arrangements for the applicant's second chair experience shall be made between the applicant and the first chair attorney, except that: it shall be the responsibility of the first chair attorney to make the status of the second chair attorney clear to both the Court and his/her client; AND the second chair attorney shall not represent the client in any part of the trial or guilty plea and sentencing hearing unless specifically authorized in writing by the client on a form provided, a copy of said form signed by the client to be presented to the Court; AND second chair attorneys shall not be compensated in any way for the time spent as second chair.

At the completion of the second chair experience, the first chair attorney shall, if requested, provide certification in writing that the applicant second chaired the entire trial and/or guilty plea and sentencing hearing. It shall be the responsibility of the applicant to complete this requirement. Completion of the Second Chair Training Procedure shall require participation in at least 1 trial AND participation in 3 guilty plea and sentencing hearings.

Service as "second chair" does not guarantee admission of an attorney to the CJA Panel.

3. Appointments

Counsel furnishing representation under the Plan shall be selected from the panel of attorneys designated or approved by the Court or from the defender organization furnishing representation pursuant to the provisions in part III below.

_____ 4. Appointment in Death Penalty Cases

Pursuant to Title 18 U.S.C. § 3005, a

defendant who is facing the possibility of the death penalty is entitled to the appointment of two attorneys, at least one of whom is learned in the law of capital punishment. In such a case, the Court is not limited to the CJA Panel list for its selection of the attorney learned in the law of capital cases, but may appoint counsel who satisfies the following minimum criteria:

i. unless appointment is made pursuant to § 5, below, an attorney must have been admitted to practice in the United States District Court for the District of New Jersey for not less than five (5) years; AND

ii. must have had not less than three (3) years experience in the actual trial of felony prosecutions in the District of New Jersey within the five (5) years prior to the application; AND

iii. must have attended a seminar on the topic of the death penalty within one (1) year of the application; AND

iv. must have had actual trial experience in state or federal court of a first degree murder case, capital or otherwise.

5. Special Appointments

When the District Judge presiding over the case, or the Chief Judge if a District Judge has not yet been assigned to the case, determines that the appointment of an attorney, who is not a member of the CJA Panel, is in the interest of justice, judicial economy or continuity of representation, or there is some other compelling circumstance warranting his or her appointment, the attorney may be admitted to the CJA Panel pro hac vice and appointed to represent the defendant. Consideration for preserving the integrity of the panel selection process suggests that such appointments should be made only in

exceptional circumstances. Further, the attorney, who may or may not be admitted to practice and/or maintain an office in the district, should possess such qualities as would qualify him or her for admission to the CJA Panel in the ordinary course of panel selection.

6. Removal from the CJA Panel

a. Removal from the CJA Panel shall be automatic upon proof made to the Chief Judge that a panel attorney has been convicted of any crime in either state or federal court carrying a possible maximum penalty of more than one (1) year imprisonment.

b. The Panel Selection and Management Committee may determine from time to time that, by reason of information received by the Committee, a panel member should be recommended for removal from the CJA Panel. In such instance, the panel member being considered for removal shall be asked to meet with the Panel Selection and Management Committee and shall be permitted to present information in his/her own behalf in response to the information received by the Committee. A decision shall be rendered by the Panel Selection and Management Committee after it is satisfied that all relevant information has been received and shall be communicated in writing to the panel member, with reasons stated for the decision. The decision of the Committee can be appealed to the Court.

There is no presumption that because a client has alleged the ineffectiveness of his/her attorney in a collateral attack on his/her conviction, that said attorney must be removed from the CJA Panel.

7. Equal Opportunity

All qualified attorneys shall be encouraged to participate in the furnishing of representation in CJA cases, without regard to race, color, religion, sex, age, national

origin or disabling condition.

8. Application

Application forms for membership on the CJA Panel shall be made available, upon request, by the Clerk of the Court. Completed applications shall be submitted to the Clerk of the Court who will transmit the applications to the chairperson of the Panel Selection and Management Committee.

B. PANEL SELECTION AND MANAGEMENT COMMITTEE

1. Membership

A Panel Selection and Management Committee shall be established by the Court. The Committee shall consist of one District Judge from each vicinage, one Magistrate Judge from each vicinage, the Federal Public Defender or his/her designee, and four private attorneys. The President of the Association of the Federal Bar and the President of the Association of Criminal Defense Attorneys - New Jersey shall each designate two of the private attorneys to serve on the panel.

Except for the Federal Public Defender, each Committee member shall serve for a term of three years. At the conclusion of the first three year term, the member may be reappointed or replaced, but no member may serve more than two successive three year terms.

2. Duties

a. The Panel Selection and Management Committee shall meet at least once a year to consider applications for vacancies on the CJA Panel. The Committee shall review the qualifications of applicants and recommend, for approval by the Court, those applicants best qualified to fill the vacancies.

Once a year, the Committee shall review the operation and administration of the CJA Panel over the preceding year, and recommend to the Court any changes deemed necessary or appropriate by the Committee regarding the appointment process and panel management. The Committee shall also inquire annually as to the continued availability and willingness of each panel member to accept appointments.

b. If, at any time during the course of a year, the number of vacancies due to resignation, removal, or death significantly decreases the size of the CJA Panel, the Committee shall solicit applications for the vacancies, convene a special meeting to review the qualifications of the applicants, and select prospective members for recommendation to the Court for approval. Members approved by the Court to fill mid-term vacancies shall serve until the expiration of the term that was vacated and shall be immediately eligible for reappointment.

c. Training. The Panel Selection and Management Committee through the Office of the Federal Public Defender, in conjunction with the Association of the Federal Bar and the Association of Criminal Defense Attorneys - New Jersey, will arrange annual training programs for new and experienced panel members. Members of the panel will be expected to attend such training programs.

III. SELECTION FOR APPOINTMENT

A. Maintenance of List

The Clerk of the Court shall maintain a current list of all attorneys included on the CJA Panel, with current office addresses and telephone numbers. Each attorney's most recent application form, outlining their qualifications and experience, shall be kept on file by the Clerk. The Clerk shall furnish a copy of the list to each District Judge and Magistrate Judge. The Clerk shall also

maintain a public record of assignments to private counsel, and, when appropriate, statistical data reflecting the proration of appointments between attorneys from the Federal Public Defender's Office and private attorneys.

B. Distribution of Appointments

CJA Panel attorneys are to be appointed in multi-defendant and conflict cases, or where the Federal Defender Office is otherwise unavailable and where it is appropriate to provide federal court experience to CJA Panel attorneys and satisfy the Ratio of Appointments requirement as outlined in section VI(A)(4) of the District of New Jersey Criminal Justice Act Plan.

C. Method of Selection

Appointments from the CJA Panel should be made on a rotational basis, subject to the Court's discretion to make exceptions due to the nature and complexity of the case, an attorney's experience, and geographical considerations. This procedure should result in a balanced distribution of appointments and compensation among the members of the CJA Panel and quality representation for each CJA defendant.

Upon the determination of a need for the appointment of counsel, the District Judge or Magistrate Judge shall notify the Clerk of Court of the need for counsel and the nature of the case. Where, based on the status of the distribution of cases (See Ratio of Appointment, CJA Plan, section VI(A)(4)), the Clerk of the Court determines that the appointment of an attorney from the CJA Panel is appropriate, the Clerk shall determine the name of the next panel member on the list who is available for appointment, and shall provide the name to the appointing District Judge or Magistrate Judge.

In the event of an emergency, i.e., weekend, holidays, or other non-working hours of the Clerk of the Court's office, the presiding District Judge or Magistrate Judge may appoint any attorney from the list. In all cases where members of the CJA Panel are appointed out of sequence, the appointing District Judge or Magistrate Judge shall notify the Clerk of the Court as to the name of the attorney appointed and the date of the appointment.

IV. COMPENSATION - FILING OF VOUCHERS

Claims for compensation shall be submitted on the appropriate CJA form to the office of the Clerk of the Court. The Clerk of the Court shall review the claim form for mathematical and technical accuracy, and for conformity with the Guidelines for the Administration of the Criminal Justice Act (Volume VII, Guide to Judiciary Policies and Procedures), and, if correct, shall forward the claim form for consideration by and action of the presiding District Judge or Magistrate Judge.

It is acknowledged that in some cases reduction of the amount of compensation sought will be necessary or appropriate. In those cases, the procedure set forth in the balance of this section shall be followed.

In any case where the judicial officer intends to reduce the amount of payment requested in a trial level voucher, CJA counsel shall be notified of the amount of the intended reduction and the reasons for same, and may request an opportunity for review by the judicial officer. However, notice need not be given where the reduction is based on mathematical or technical errors. After review of any submission by appointed counsel, including his/her response to the judicial officer's reasons for the reduction, and the completion of any other steps deemed appropriate by the judicial officer, the judicial officer shall take action on the

voucher consistent with the Plan, the Criminal Justice Act and the interests of justice.

The Third Circuit shall consider all vouchers submitted by appellate counsel.

Notice to CJA Panel Attorneys Regarding Availability of Investigative, Expert, and Other Services

Attorneys appointed to provide representation under the Criminal Justice Act, 18 U.S.C. § 3006A, may seek investigative, expert, and other services necessary for adequate representation, such services to be paid for out of funds appropriated for the administration of the Criminal Justice Act.

In addition to investigators, psychiatrists, psychologists and reporters, services other than counsel may include but are not necessarily limited to interpreters, neurologists, and laboratory experts in areas such as ballistics, fingerprinting, and handwriting.

Requests for authority to obtain subsection (e) services should be made to the presiding District Judge or Magistrate Judge (see cautionary note below). In order to prevent the possibility that an open hearing concerning a request for subsection (e) services will cause a defendant to reveal his or her defenses, these requests should be made by *ex parte* application. Guidelines promulgated by the Judicial Conference of the United States (**Guidelines for the Administration of the Criminal Justice Act, Volume VII, Guide to Judiciary Policies and Procedures**) provide that the applications shall be heard *in camera*, and not be revealed without the consent of the defendant. The **Guidelines** further state that such applications shall be placed under seal until the final disposition of the case in the trial court, subject to final order of the Court.

CAUTIONARY NOTE: Counsel should be aware of the limitations that apply to the obtaining of such services. *PRIOR AUTHORIZATION MUST BE SECURED* from the presiding judicial officer for all subsection (e) services where the cost of such services (exclusive of reimbursement for expenses) will exceed \$500. Failure to obtain prior authorization will result in the disallowance of any amount claimed for compensation in excess of \$500, unless the presiding judicial officer finds that, in the interest of justice, timely procurement of necessary services could not await prior authorization.

Compensation to a service provider in excess of \$1,600 can only be paid if the presiding District Judge or Magistrate Judge certifies that payment in excess of \$1,600 (excluding reimbursement for expenses) was necessary to provide for services of an unusual character or duration, and the amount of the excess payment is approved by the Chief Judge of the Circuit. Compensation for subsection (e) services should be claimed directly by the service provider on CJA form 21 "Authorization and Voucher for Expert and Other Services."

Further information about the availability of subsection (e) services and the procedures and limitations involved may be obtained from the Clerk of the Court. In addition, counsel should review both the Criminal Justice Act and the **CJA Guidelines**. A copy of the **Guidelines** is located in the office of the Clerk of the Court.

II. STATEMENT OF TIME LIMITS AND PROCEDURES FOR ACHIEVING PROMPT DISPOSITION OF CRIMINAL CASES

Pursuant to the requirements of Fed. R. Crim. P. 50(b) the Speedy Trial Act of 1974 (18 U.S.C. Chapter 208), the Speedy Trial Act Amendments Act of 1979 (Pub. L. No. 96-43, 93 Stat. 327), and the Federal Juvenile Delinquency Act (18 U.S.C. §§5036, 5037), the Judges of the United States District Court for the District of New Jersey have adopted the following time limits and procedures to minimize undue delay and to further the prompt disposition of criminal cases and certain juvenile proceedings.

1. Applicability

(a) Offenses. The time limits set forth herein are applicable to all criminal offenses triable in this Court, including cases triable by United States Magistrate Judges, except for petty offenses as defined in the Federal criminal code. Except as specifically provided, they are not applicable to proceedings under the Federal Juvenile Delinquency Act.

(b) Persons. The time limits are applicable to persons* accused who have not been indicted or informed against as well as those who have, and the word "defendant" includes such persons unless the context indicates otherwise.

*The term "person" shall be interpreted to include any business or corporate type entity as well as natural persons.

2. Priorities in Scheduling Criminal Cases

Preference shall be given to criminal proceedings as far as practicable as required by Fed. R. Crim. P. 50(a). The trial of defendants in custody solely because they are awaiting trial and of high-risk defendants as defined in section 5 should be given preference over other criminal cases.

3. Time Within Which an Indictment or Information Must Be Filed

(a) Time Limits. If an individual is arrested or served with a summons and the complaint charges an offense to be prosecuted in this District, any indictment or information subsequently filed in connection with such charge shall be filed within 30 days of arrest or service.

(b) Measurement of Time Periods. If a person has not been arrested or served with a summons on a Federal charge, an arrest will be deemed to have been made at such time as the person (i) is held in custody solely for the purpose of responding to a Federal charge; (ii) is delivered to the custody of a Federal official in connection with a Federal charge; or (iii) appears before a judicial officer in connection with a Federal charge.

(c) Related Procedures.

(1) At the time of the earliest appearance before a judicial officer of a person who has been arrested for an offense not charged in an indictment or information, the judicial officer shall establish for the record the date on which the arrest took place.

(2) In the absence of a showing to the contrary, a summons shall be considered to have been served on the date of service shown on the return thereof.

4. Time Within Which Trial Must Commence

(a) Time Limits. The trial of a defendant shall commence not later than 70 days after the last to occur of the following dates:

- (1) The date on which an indictment or information is filed in this District;
- (2) The date on which a sealed indictment or information is unsealed; or
- (3) The date of the defendant's first appearance before a judicial officer of this District.

(b) Retrial. Subject to the exclusions provided in 18 U.S.C. §3161(h), where a new trial has been ordered by the District Court or a trial or new trial has been ordered by an appellate court, it shall commence at the earliest practicable time but, in any event, not later than 70 days after the finality of such order. When the defendant is to be retried following an appeal or collateral attack, if unavailability of witnesses or other factors resulting from passage of time shall make trial within 70 days impractical, the Court trying the case may extend such period for a total not to exceed 180 days from the date on which the order occasioning the retrial becomes final.

(c) Withdrawal of Plea. If a defendant enters a plea of guilty or *nolo contendere* to any or all charges in an indictment or information and is subsequently permitted to withdraw it, the time limit shall be determined for all counts as if the indictment or information were filed on the day the order permitting withdrawal of the plea became final.

(d) Superseding Charges. If, after an indictment or information has been filed, a complaint, indictment, or information is filed which charges the defendant with the same offense or with an offense required to be joined with that offense, the time limit applicable to the subsequent charge will be determined as follows:

(1) If the original indictment or information was dismissed on motion of the defendant before the filing of the subsequent charge, the time limit shall be determined without regard to the existence of the original charge.

(2) If the original indictment or information is pending at the time the subsequent charge is filed, the trial shall commence within the time limit for commencement of trial on the original indictment or information.

(3) If the original indictment or information was dismissed on motion of the United States Attorney before the filing of the subsequent charge, the trial shall commence within the time limit for commencement of trial on the original indictment or information, but the period during which the defendant was not under charges shall be excluded from the computations. Such period is the period between the dismissal of the original indictment or information and the date the time would have commenced to run on the subsequent charge had there been no previous charge.

If the subsequent charge is contained in a complaint, the formal time limit within which an indictment or information must be obtained on the charge shall be determined without regard to the existence of the original indictment or information, but earlier action may, in fact, be required if the time limit for commencement of trial is to be satisfied.

(e) Measurement of Time Periods. For the purposes of this section:

(1) If a defendant signs a written consent to be tried before a Magistrate Judge and no indictment or information charging the offense has been filed, the time limit shall run from the date of such consent.

(2) In the event of a transfer to this District under Fed. R. Crim. P. 20, the indictment or information shall be deemed filed in this District when the papers in the proceeding or certified copies thereof are received by the Clerk.

(3) A trial in a jury case shall be deemed to commence at the beginning of *voir dire*.

(4) A trial in a non-jury case shall be deemed to commence on the day the case is called, provided that some step in the trial procedure immediately follows.

(f) Related Procedures.

(1) At the time of the defendant's earliest appearance before a judicial officer of this District, the officer will take appropriate steps to assure that the defendant is represented by counsel and shall appoint counsel where appropriate under the Criminal Justice Act and Fed. R. Crim. P. 44. The Judicial officer will also inform the defendant of his or her rights under this Plan and pertinent legislation.

(2) The Court shall have sole responsibility for setting cases for trial after consultation with counsel. At the time of arraignment or as soon thereafter as is practicable, each case will be set for trial on a day certain or listed for trial on a weekly or other short-term calendar.

(3) Individual calendars shall be managed so that it will be reasonably anticipated that every criminal case set for trial will be reached during the week of original setting. A conflict in schedules of Assistant United States Attorneys or defense counsel will be grounds for a continuance or delayed setting only if approved by the Court and called to the Court's attention at the earliest practicable time.

(4) In the event that a complaint, indictment, or information is filed against a defendant charged in a pending indictment or information or in an indictment or information dismissed on motion of the United States Attorney, the trial on the new charge shall commence within the time limit for commencement of trial on the original indictment or information unless the Court finds that the new charge is not for the same offense charged in the original indictment or information or an offense required to be joined therewith.

(5) At the time of the filing of a complaint, indictment, or information described in the preceding Section 4(f)(4), the United States Attorney shall note on the cover sheet if the new charge is for the same offense charged in the original indictment or information, or for an offense required to be joined therewith.

(6) At the time of the filing of a complaint, indictment, or information described in Section 4(f)(4), the United States Attorney shall give written notice to the Court of that circumstance and of his or her position with respect to the computation of the time limits.

(7) All pretrial hearings shall be conducted as soon after the arraignment as possible, consistent with the priorities of other matters on the Court's criminal docket.

(8) A defendant contending that the time within which trial should have commenced has passed, must move for dismissal as provided in 18 U.S.C. §3162(a)(2) not less than 10 days before the scheduled trial date, unless the time within which trial should have commenced expires less than 10 days prior to the scheduled trial date, in which event the motion for dismissal must be made no later than the date defendant avers the trial should have commenced. Failure of the defendant to so move shall constitute a waiver of the rights set forth in 18 U.S.C. §3162(a)(2), unless the Court, for good cause shown, permits the motion to be made and heard at a later date.

(9) Except for good cause shown, the Court may not extend the time for filing motions after plea under Fed. R. Crim. P. 12(c) beyond 10 days. Such motions will be heard and ruled upon promptly, so that the trial need not be delayed.

5. Defendants in Custody and High-Risk Defendants

(a) Time Limits. Notwithstanding any longer time periods that may be permitted under Sections 3 and 4, the following time limits will also be applicable to defendants in custody and high-risk defendants as herein defined:

(1) The trial of a defendant held in custody solely for the purpose of trial on a Federal charge shall commence within 90 days following the beginning of continuous custody.

(2) The trial of a high-risk defendant shall commence within 90 days of the designation as high-risk.

(b) Definition of "High-Risk Defendant." A high-risk defendant is one reasonably designated by the United States Attorney as posing a danger to himself or herself or any other person or to the community.

(c) Measurement of Time Periods. For the purposes of this section:

(1) A defendant is deemed to be in detention awaiting trial when he or she is arrested on a Federal charge or otherwise held for the purpose of responding to a Federal charge. Detention is deemed to be solely because the defendant is awaiting trial

unless the person exercising custodial authority has an independent basis (not including a detainer) for continuing to hold the defendant.

(2) If a case is transferred pursuant to Fed. R. Crim. P. 20 and the defendant subsequently rejects disposition under Rule 20 or the Court declines to accept the plea, a new period of continuous detention awaiting trial will begin at that time.

(3) A trial shall be deemed to commence as provided in Sections 4(e)(3) and 4(e)(4).

(d) Related Procedures.

(1) If a defendant is being held in custody solely for the purpose of awaiting trial, the United States Attorney shall advise the Court at the earliest practicable time of the date of the beginning of such custody.

(2) The United States Attorney shall advise the Court at the earliest practicable time (usually at the hearing with respect to bail) if the defendant is considered by him or her to be high risk.

(3) If the Court finds that the filing of a "high-risk" designation as a public record may result in prejudice to the defendant, it may order the designation sealed for such period as is necessary to protect the defendant's right to a fair trial, but not beyond the time that the Court's judgment in the case becomes final. During the time the designation is under seal, it shall be made known to the defendant and his or her counsel but shall not be made known to other persons without the permission of the Court.

6. Exclusion of Time From Computations

(a) Applicability. In computing any time limit under Sections 3, 4 or 5, the periods of delay set forth in 18 U.S.C. §3161(h) shall be excluded. Such periods of delay shall not be excluded in computing the minimum period for commencement of trial under Section 7. In determining excludable time under 18 U.S.C. §3161(h)(1)(F), 90 days will be the maximum time excluded, unless the Court orders a hearing on the motion or additional extensions of time for filing briefs are specifically allowed by the Court. If the Court orders a hearing on the motion or additional extensions of time for filing briefs are allowed, the time consumed thereby shall be excluded only if the Court makes a specific and approximately contemporaneous determination that such delays are reasonably necessary to make the motion ready for judicial determination.

(b) Records of Excludable Time. The Clerk of the Court shall enter on the docket, in the form prescribed by the Administrative Office of the United States Courts, verifiable information received from any Federal criminal justice agency, the Court and/or the Magistrate Judge with respect to excludable periods of time for each criminal defendant. In any removal of a defendant from this District to another, under Fed. R. Crim. P. 40, the Magistrate Judge shall initially determine the amount of excludable time accrued from the time of arrest to the signing of the warrant of removal. This information shall be transmitted by the Clerk to the clerk of the transferee district. With respect to proceedings prior to the filing of an indictment or information, excludable time shall be reported to the Clerk by the United States Attorney on the criminal cover sheet appended to the indictment or information.

(c) Stipulations.

(1) The attorney for the Government and counsel for the defendant may at any time enter into stipulations with respect to the accuracy of the docket entries recording excludable time. The word "docket" for the purposes of this provision shall include all or any part of the docket assembly form issued by the Administrative Office of the United States Courts and is not limited to the proceedings' docket sheet.

(2) To the extent that the amount of time stipulated by the parties does not exceed the amount recorded on the docket for any excludable period of delay, the stipulation shall be conclusive as between the parties unless it has no basis in fact or law. It shall similarly be conclusive as to a co-defendant for the limited purpose of determining, under 18 U.S.C. §3161(h)(7), whether time has run against the defendant entering into the stipulation.

(3) To the extent that the amount of time stipulated exceeds the amount recorded on the docket, the stipulation shall have no effect unless approved by the Court.

(d) Pre-Indictment Procedures.

(1) In the event that the United States Attorney anticipates that an indictment or information will not be filed within the time limit set forth in Section 3, he or she may file a written motion with the Court for a determination of excludable time. In the event that the United States Attorney seeks a continuance under 18 U.S.C. §3161(h)(8), he or she shall file a written motion with the Court requesting such a continuance.

(2) The motion of the United States Attorney shall state (i) the period of time proposed for exclusion, and (ii) the basis of the proposed exclusion. If the motion is for a continuance under 18 U.S.C. §3161(h)(8), it shall also state whether or not the

defendant is being held in custody on the basis of the complaint. In appropriate circumstances, the motion may include a request that some or all of the supporting material be considered *ex parte* and *in camera*.

(3) The Court may grant a continuance under 18 U.S.C. §3161(h)(8) for either a specific period of time or a period to be determined by reference to an event (such as recovery from illness) not within the control of the Government. If the continuance is to a date not certain, the Court shall require one or both parties to inform the Court promptly when and if the circumstances that justify the continuance no longer exist. In addition, the Court shall require one or both parties to file periodic reports bearing on the continued existence of such circumstances. The Court shall determine the frequency of such reports in the light of the facts of the particular case.

(e) Post-Indictment Procedures.

(1) At each appearance of counsel before the Court, counsel shall examine the Clerk's records of excludable time for completeness and accuracy and shall bring to the Court's immediate attention any claim that the Clerk's record is in any way incorrect.

(2) In the event that the Court continues a trial beyond the time limit set forth in Section 4 or 5, the Court shall determine whether the limit may be recomputed by excluding time pursuant to 18 U.S.C. §3161(h).

(3) If it is determined that a continuance is justified, the Court shall set forth its findings in the record, either orally or in writing. If the continuance is granted under 18 U.S.C. §3161(h)(8), the Court shall also set forth its reasons for finding that the ends of justice served by granting the continuance outweigh the best interests of the public and the defendant in a speedy trial. If the continuance is to a date not certain, the Court shall require one or both parties to inform the Court promptly when and if the circumstances that justify the continuance no longer exist. In addition, the Court shall require one or both parties to file periodic reports bearing on the continued existence of such circumstances. The Court shall determine the frequency of such reports in the light of the facts.

(f) Motions.

Any motion filed prior to commencement of trial involving issues relating to the Speedy Trial Act of 1974, 18 U.S.C. §3161 *et seq.*, or this Plan, including but not limited to determinations of excludable time under §3161(h), shall state concisely the movant's position and be accompanied by a brief prepared in accordance with the Local Criminal Rules of the Court.

7. Minimum Period for Defense Preparation

Unless the defendant consents in writing to the contrary, the trial shall not commence earlier than 30 days from the date on which the indictment or information is filed or, if later, from the date on which counsel first enters an appearance or on which the defendant expressly waives counsel and elects to proceed *pro se*. In circumstances in which the 70-day time limit for commencing trial on a charge in an indictment or information is determined by reference to an earlier indictment or information pursuant to Section 4(d), the 30-day minimum period shall also be determined by reference to the earlier indictment or information. When prosecution is resumed on an original indictment or information following a mistrial, appeal, or withdrawal of a guilty plea, a new 30-day minimum period will not begin to run. The Court will, in all cases, schedule trials so as to permit defense counsel adequate preparation time in the light of all the circumstances.

8. Time Within Which Defendant Should Be Sentenced

(a) Time Limit. A defendant shall ordinarily be sentenced within 45 days of the date of his or her conviction or plea of guilty or *nolo contendere*. The Court shall set a date for sentence at the time of defendant's conviction or plea of guilty or *nolo contendere*.

(b) Related Procedures. If the defendant and his or her counsel consent thereto, a presentence investigation may be commenced prior to a plea of guilty or *nolo contendere* or a conviction. The time during the pendency of the presentence investigation may be excludable pursuant to 18 U.S.C. §3161(h)(8) upon such finding by the Court.

9. Juvenile Proceedings

(a) Time Within Which Trial Must Commence. An alleged delinquent who is in detention pending trial shall be brought to trial within 30 days of the date upon which such detention was begun, as provided in 18 U.S.C. §5036.

(b) Time for Dispositional Hearing. If a juvenile is adjudicated delinquent, a separate dispositional hearing shall be held no later than 20 court days after trial, unless the Court has ordered further study of the juvenile in accordance with 18 U.S.C. §5037(c).

10. Sanctions

(a) Dismissal or Release From Custody. Failure to comply with the requirements of Title 1 of the Speedy Trial Act may

entitle the defendant to dismissal of the charges against him or her or to release from pretrial custody. Nothing in this Plan shall be construed to require that a case be dismissed or a defendant released from custody in circumstances in which such action would not be required by 18 U.S.C. §§3162 and 3164.

(b) High-Risk Defendants. A high-risk defendant whose trial has not commenced within the time limit set forth in 18 U.S.C. §3164(b) shall, if the failure to commence trial was through no fault of the attorney for the Government, have his or her release conditions automatically reviewed. A high-risk defendant who is found by the Court to have intentionally delayed the trial of his or her case shall be subject to an order of the Court modifying his or her nonfinancial conditions of release under Chapter 207 of Title 18, U.S.C., to ensure that he or she shall appear at trial as required.

(c) Discipline of Attorneys. In a case in which counsel (1) knowingly allows the case to be set for trial without disclosing the fact that a necessary witness would be unavailable for trial, (2) files a motion solely for the purpose of delay which he or she knows is frivolous and without merit, (3) makes a statement for the purpose of obtaining a continuance which he or she knows to be false and which is material to the granting of the continuance, or (4) otherwise willfully fails to proceed to trial without justification consistent with 18 U.S.C. §3161, the Court may punish such counsel as provided in 18 U.S.C. §§3162(b) and (c).

(d) Alleged Juvenile Delinquents. An alleged delinquent in custody whose trial has not commenced within the time limit set forth in 18 U.S.C. §5036 shall be entitled to dismissal of his or her case pursuant to that section unless the Attorney General shows that the delay was consented to or caused by the juvenile or his or her counsel, or would be in the interest of justice in the particular case.

11. Monitoring Compliance With Time Limits

(a) Responsibilities of Clerk. In addition to maintaining such statistical data as is required to be maintained by the Administrative Office of the United States Courts, the Clerk will, from time to time, report to the Chief Judge on the status of the criminal docket within the District with specific emphasis upon (1) each case in which there is a failure to comply with any time limit set forth herein, and (2) each case in which sanctions were imposed.

(b) Responsibilities of United States Attorney.

(1) The United States Attorney will familiarize himself or herself with the scheduling procedures of each Judge and will assign or reassign cases in such manner that the Government will be ready for trial. A conflict in schedules of Assistant United States Attorneys will not be grounds for a continuance or delayed setting except under circumstances approved by the Court and called to the Court's attention at the earliest practicable time.

(2) If the United States Attorney knows that a person charged with a criminal offense is serving a term of imprisonment in a Federal, State or other institution, or an institution of another jurisdiction, he or she shall, pursuant to 18 U.S.C. §3161(j), promptly:

(i) Undertake to obtain the presence of the prisoner for plea and trial; or

(ii) When the Government is unable to obtain the presence of the defendant, to cause a detainer to be filed with the official having custody of the prisoner and request him or her to advise the prisoner of the detainer and to inform the prisoner of his or her rights under this Plan.

(3) If a defendant is being held in custody, either criminal or administrative, the United States Attorney shall be responsible for advising the Court, through notice to the Clerk, at the earliest practicable time of the date of the beginning of custody.

(4) The United States Attorney shall, within five days after the close of the reporting period, furnish each Judge, each Magistrate Judge, the Circuit Executive and the Clerk of the Court with a copy of the bi-weekly DJ-130 report of persons in custody. The report shall contain the docket number of the case, the name of the Judge or Magistrate Judge to whom the case has been assigned and a letter symbol of the vicinage to which the case is assigned, if known. The "reason for detention" column shall include an explanation in any case for which the defendant's status appears to be inconsistent with the time limits set forth in the Plan. As to all other criminal cases, the United States Attorney shall, on or before the fifth day of each month, furnish each Judge, each Magistrate Judge, the Circuit Executive and the Clerk of the Court with a report regarding each case in which the trial has not commenced within 60 days of the entering of the plea of not guilty. The report shall contain the docket number of the case, the name of the Judge or Magistrate Judge to whom the case has been assigned, the letter symbol of the vicinage to which the case is assigned and the reason for delay in the disposition of the case.

(5) The United States Attorney shall submit to each Judge and Magistrate Judge a separate report about each defendant in fugitive status assigned to that particular Judge or Magistrate Judge. The information shall set forth what efforts have been

made, and are being made, to secure the presence of the fugitive defendant before the Court. If all logical leads have been reasonably pursued, it shall be sufficient that the fugitive status has been entered in the National Crime Information Center (NCIC). These reports shall be submitted at six month intervals after the defendant enters fugitive status. The contents of each report shall be sealed by the Court.

(c) Responsibilities of United States Marshal.

(1) The United States Marshal shall make, to the Clerk of the Court, a written daily report to include:

- (i) The names, and reasons for detention, of all persons taken into custody during the preceding 24 hours.
- (ii) Change of status of any person in custody.

(2) When a defendant is arrested out of the District on a warrant issued in this Court, the United States Marshal shall report the fact of the arrest in writing to the Clerk of the Court by the close of the working day on which he or she is made aware of the arrest.

(3) When a defendant is to be transferred pursuant to Fed. R. Crim. P. 40, the United States Marshal shall arrange to have the defendant transferred to this District as promptly as possible notwithstanding the fact that the defendant may be en route on a day on which the Federal offices are closed.

(d) Responsibilities of the Court. The Court has sole responsibility for controlling cases on the trial calendar. Each Judge and Magistrate Judge will schedule criminal trials at such time as may be necessary to assure prompt disposition of criminal cases. If it appears to the Chief Judge that, due to calendar congestion, sickness or disability of a Judge, that a particular criminal trial will not commence within the time limits set forth herein, the Chief Judge may make such adjustments, including the reassignment of cases, in accordance with the Local Criminal Rules of this Court in order to insure compliance with the Act.

The United States Attorney shall be informed of any case in which his or her office appears to be responsible for unnecessary delay.

12. Effective Dates

(a) The amendments to the Speedy Trial Act made by Public Law 96-43 became effective August 2, 1979. To the extent that this revision of the District's Plan does more than merely reflect the amendments, the revised Plan shall take effect upon approval of the reviewing panel designated in accordance with 18 U.S.C. §3165(c). However, the dismissal sanction and the sanctions against attorneys authorized by 18 U.S.C. §3162 and reflected in Sections 10(a) and (c) of this Plan shall apply only to defendants whose cases are commenced by arrest or summons on or after July 1, 1980, and to indictments and informations filed on or after that date.

(b) If a defendant was arrested or served with a summons before July 1, 1979, the time within which an information or indictment must be filed shall be determined under the Plan that was in effect at the time of such arrest or service.

(c) If a defendant was arraigned before August 2, 1979, the time within which the trial must commence shall be determined under the Plan that was in effect at the time of such arraignment.

(d) If a defendant was in custody on August 2, 1979, solely because he or she was awaiting trial, the 90-day period under Section 5 shall be computed from that date.

I. Case Management Responsibility of the Assigned District Judge

The referral of civil actions to the Arbitration Program, pursuant to L.Civ.R. 201.1(d), does not divest the assigned District Judge and Magistrate Judge of the responsibility for exercising overall management control over a case during the pendency of the arbitration process, nor does it preclude the parties from filing pretrial motions or pursuing discovery.

The Arbitration Program has been revised to provide for a "compliance judge for arbitration." The duty of this judicial officer is to administer the arbitration program as a whole and to monitor the arbitration processes. Individual case management, however, remains at all times with the assigned District Judge or Magistrate Judge.

The management of cases referred to arbitration will continue to be subject to this Court's procedures regulating discovery and other pretrial matters, the applicable Federal Rules of Civil Procedure, and the Local Civil Rules of the Court. As in other cases, the dates for concluding pretrial discovery (including expert discovery) will be set at the scheduling conference under Fed. R. Civ. P. 16(b), and the parties will be required to complete all pretrial discovery before the arbitration hearing. Unlike other cases, these dates will not be extended except where a new party has been joined recently or an exceptional reason is presented to the Judge or Magistrate Judge. Extended discovery and the final pretrial conference will be eliminated. This means that approximately one (1) month following the filing of the last answer plus a 120-day discovery period, or at such other date as set by the scheduling order, the case will be set for arbitration through the Arbitration Clerk.

This procedure provides litigants with a prompt and less expensive alternative to the traditional courtroom trial and relieves the heavy burden of the constantly increasing case load. The Court intends for the resulting arbitration hearing to be similar in purpose to a bench trial but without the formality required by the Federal Rules of Evidence.

II. Arbitrator's Responsibility for Managing the Arbitration Hearing Process

A. Although the assigned District Judge retains overall responsibility for cases referred to the arbitration program, the Court delegates authority to the arbitrator to control and regulate the scope and duration of the arbitration hearing, including:

- (1) Ruling upon the admissibility of testimonial evidence.
- (2) Ruling upon the admissibility of documentary evidence.
- (3) Ruling upon the admissibility of demonstrative evidence.
- (4) Ruling upon objections to evidence.
- (5) Ruling upon requests of counsel to excuse individual parties or authorized corporate representatives from attending the arbitration hearing.
- (6) Commencing the hearing in the absence of a party.
- (7) Limiting the time for presentation of evidence and summary arguments by a party.
- (8) Compelling the presence of witnesses, if desirable.
- (9) Swearing witnesses.
- (10) Adjourning the arbitration hearing to a date certain, not to exceed 30 days from court order date, to accommodate lengthy proceedings or an unavailable witness whom the arbitrator determines to be essential to the proceedings.
- (11) Preparing the Arbitration Award. The scope of delegation to the arbitrator does not include the powers to:

- (1) Exercise civil or criminal contempt.
- (2) Continue the hearing for an indefinite period.

B. Arbitrator as Adjudicator. The arbitrator's role is as a non-jury adjudicator of the facts based upon evidence and arguments presented at the arbitration hearing. The arbitrator is not a mediator, and the arbitrator shall not convene a settlement discussion at any point in the arbitration process unless all litigants have first explicitly requested the arbitrator to preside over settlement discussions. The arbitrator may decline the parties' request for a settlement discussion if the arbitrator believes that such participation would bring his or her own impartiality into question if the matter is arbitrated. The Court expects that the arbitrator and counsel shall strive at all times to preserve the essential functions of a finder of facts at a hearing which, though less formal than a trial, nonetheless inspires similar confidence in the objectivity and validity of the fact-finding process.

III. Suggested Format for the Presentation of Evidence at Arbitration Hearings

The Court intends that attorneys shall be prepared to present evidence through any combination of exhibits, affidavits, deposition transcripts, expert reports and, if desirable, live testimony. The Court further expects that testimonial evidence shall be limited to situations involving issues of credibility of witnesses. Evidence shall be presented primarily through the attorneys for the parties, who may incorporate arguments on such evidence in their presentation. Expert opinion may normally be presented through written reports, although live expert testimony is desirable where helpful to resolving profound differences of opinion between such experts through direct and cross-examination. In a general sense, the Court envisions this presentation process to be somewhat similar to a combination of opening and closing arguments augmented by live testimony where necessary to aid the arbitrator's fact-finding function.

In developing their arguments, counsel may present only factual representations supportable by reference to discovery materials; to a signed statement of a witness; to a stipulation; to a document; or by a representation that counsel personally spoke with the witness and is repeating what the witness stated.

Arbitrators and counsel are reminded that L.Civ.R. 201.1(f)(5) notes that the Federal Rules of Evidence shall be employed as a guide; however, the Rules should not be construed in a manner to preclude the presentation of evidence submitted by counsel in the fashion discussed above. L.Civ.R. 201.1(f)(5) further requires, "Copies of photographs of all exhibits, except exhibits intended solely for impeachment, must be marked for identification and delivered to adverse parties at least 10 days prior to the hearing... ." To facilitate this exchange, counsel may obtain exhibit stickers from the Clerk's office. Copies of all exhibits exchanged must also be forwarded to the arbitrator at least 10 days prior to the hearing.

With respect to the admissibility and subsequent use of evidence offered at an arbitration hearing, counsel are reminded that L.Civ.R. 201.1(h)(2) provides:

"Upon the filing of a demand for trial *de novo* ... the action shall be placed on the calendar of the Court and treated for all purposes as if it had not been referred to arbitration..."

Therefore, neither the fact that the case was arbitrated nor the amount of the arbitrator's award is admissible. However, testimony given upon the record of the arbitration hearing may be used to impeach the credibility of a witness at any subsequent trial *de novo*. In light of the limitation placed by the Court upon the use of exhibits at subsequent Court proceedings, the arbitrator should return all exhibits to counsel at the conclusion of the arbitration hearing.

IV. Attendance of Parties; Participation in a "Meaningful Manner"

Although L.Civ.R. 201.1(f)(3) provides for the arbitration hearing to proceed in the absence of any party, the Court has determined that the attendance of the parties and/or corporate representatives is essential for the hearing to proceed in a meaningful manner. The goals of the arbitration program and the authority of the Court will be seriously undermined if a party were permitted to refuse to attend an arbitration hearing and then demand trial *de novo*. Accordingly the Court has, in the same Rule, allowed for the imposition of "appropriate sanctions, including, but not limited to, the striking of any demand for a trial *de novo*" filed by a party who fails to participate in the arbitration process in such a "meaningful manner." Failure by a party or counsel to follow these Guidelines will also be considered in determining whether there has been meaningful participation in the process.

V. Stenographic Transcript

A party desiring to have a recording and/or transcript made of the arbitration hearing shall make all necessary arrangements for same and shall bear all expenses so incurred.

VI. The Arbitration Procedure - A Summary

Upon receipt of the order referring the case to arbitration and appointing an arbitrator, counsel for plaintiff shall *promptly* forward to the arbitrator copies of *all pleadings* including any counterclaim or third party complaint and answers thereto.

Thereafter, and at least *10 days* prior to the arbitration hearing, each counsel shall comply with L.Civ.R. 201.1(f)(5) by delivering to the arbitrator and to adverse counsel premarked copies of *all exhibits*, including expert reports and all portions of depositions and interrogatories, to which reference will be made at the hearing (but not including documents intended solely for impeachment). Failure to timely submit such exhibits may be deemed a failure to meaningfully participate in the process under L.Civ.R. 201.1(f)(3).

The arbitrator will have reviewed the pleadings prior to the arbitration hearing. At least one week prior to the scheduled date of the arbitration hearing, the arbitrator should conduct a conference call with the attorneys to determine whether live testimony will be necessary and who the witnesses will be.

The following is presented as an example of the agenda for a typical arbitration hearing; however, the arbitrator is empowered to define the scope and sequence of events at the hearing.

- (1) Convening of the arbitration hearing and introduction of the arbitrator, counsel for the parties, and the parties.
- (2) Brief procedural overview presented by the arbitrator.
- (3) Opening statement by plaintiff's counsel.
- (4) Opening statement by defendant's counsel.
- (5) Presentation of evidence by plaintiff's counsel including, if desirable, live testimony.
- (6) Presentation of evidence by defendant's counsel including, if desirable, live testimony.
- (7) Summation by plaintiff's counsel.
- (8) Summation by defendant's counsel.
- (9) Adjournment of the arbitration hearing.
- (10) Retirement of the arbitrator for deliberation and for documentation of the arbitration award.

VII. Scope of the Arbitration Award

The \$150,000 limit of L.Civ.R. 201.1(d)(3) is jurisdictional for the purpose of referring cases to the program pursuant to L.Civ.R. 201.1. However, once a case has been referred to the program, the actual award need not be limited to \$150,000. The arbitrator's award may also make provisions for interest and punitive damages if appropriate.

VIII. Processing the Arbitration Award

At the conclusion of the hearing, the arbitrator shall promptly file the award with the Clerk. When the award is filed, the Clerk's Office will docket the fact of the award, leaving out the details, and mail a copy of the award and the arbitrator's written statement or summary setting forth the basis for the award to the arbitrator and counsel.

IX. Compensation of Arbitrators

In the event that an arbitration hearing is protracted, the District Judge to whom the matter is assigned may entertain a petition for additional compensation.

Although the Clerk's Office does not make any deductions from the compensation paid to arbitrators, it should be treated as ordinary income for tax purposes.

X. Alternative Dispute Resolution

After enactment of the Civil Justice Reform Act of 1990, then – General Rule 47 (now Local Civil Rule 201.1) was amended to provide for arbitration by consent of any civil action regardless of amount in controversy. Provision was also made for the parties to “consent to participation in any other form of alternative dispute resolution.”

The Alternative Dispute Resolution Act of 1998 required the district courts to make at least one alternative dispute resolution “process” available to litigants. One such process could be arbitration by consent. However, the act placed limitations on civil actions that could be referred to arbitration by consent, including a maximum dollar “value” of \$150,000.

This Court has a compulsory arbitration program with the same limitations as are imposed for arbitration by consent under the Alternative Dispute Resolution Act of 1998. Accordingly, “consent” to arbitration becomes meaningless when an eligible civil action would be subject to compulsory arbitration. This led to amendment of Local Civil Rule 201.1 to delete the “arbitration by consent” provision.

It remains the intent of the Court to encourage parties to choose a particular form of alternative dispute resolution. Parties may agree to participate in the mediation process prescribed in L.Civ.R. 301.1 or may participate in other forms of alternative dispute resolution such as, by way of example only, mini-trials or summary jury trials. Any such agreement between the parties must, however, be presented to the Judge or Magistrate Judge for approval, who shall consider it with due regard for the calendar

and resources of the Court. Should the parties agree on some form of alternative dispute resolution, the District Judge may administratively terminate the civil action pending completion of the alternative dispute resolution procedure.

APPENDIX N. PROCEDURE FOR DISPOSITIVE AND COMPLEX MOTIONS

A. Applicability

The procedure set forth in this Appendix shall be followed on motions governed by L.Civ.R. 7.1(b). This procedure shall not be followed in *habeas corpus* cases or cases involving *pro se* litigants, or on discovery motions, motions for *pro hac vice* admissions, motions to amend pleadings, motions for reargument under L.Civ.R. 7.1(g), or any motion enumerated in Fed. R. App. P. 4(a)(4).

B. Procedure

1. The moving party shall serve one copy of its notice of motion, brief, and any certifications, affidavits or other supporting documentation on all adversaries under a cover letter specifically identifying each document enclosed, and shall send a copy of the cover letter without the enclosures to the Deputy Clerk of the Judge to whom the case is assigned for filing. Unless an extension of time for a more extended briefing schedule is granted by the Judge, the movant must file the entire complete motion package with the Clerk of Court within 30 days of the filing of the copy of the cover letter. Unless the Court has previously set the return date for the motion, the return date on the notice of motion should be left blank until the full motion package is ready for filing. The submission of a copy of the cover letter will enable the Court to acknowledge and follow the status of the motion. Receipt of the cover letter within the time limitations provided in Fed. R. Civ. P. 12 (or any extension thereto pursuant to L.Civ.R. 6.1(b)) shall satisfy those time limitations and evidence the extension of time for filing a responsive pleading (e.g., and answer).

2. Within ten (10) days of receipt of the moving papers, unless the parties agree to a reasonable extension,¹ any party opposing a motion shall serve an original and two copies of its opposition brief and any certifications, affidavits or other supporting documentation on the moving party (with one copy to all other parties) under a cover letter specifically identifying each document enclosed (with a copy of the cover letter without enclosures to the chambers of the Judge to whom the case is assigned).

3. If the opposing party fails to serve its opposition within ten (10) days of receipt of the moving papers and fails to seek a reasonable extension of time to do so, counsel for the moving party, after using best efforts to actually confer with counsel for the opposing party about the status of any opposition, may file the motion as unopposed and list it for disposition on the next regularly scheduled motion day that is at least sixteen (16)

¹ Counsel are encouraged to accommodate reasonable requests for extensions of time as a matter of professional courtesy and to minimize resort to judicial intervention to resolve briefing schedule disputes. If the parties agree to a reasonable extension, they should simply confirm the extension in a letter with a copy to chambers of the Judge to whom the case is assigned. If the parties are unable to agree to a reasonable extension, they should telephone the chambers of the Judge to whom the case is assigned to seek a resolution of the briefing schedule dispute. Counsel may not consent to extensions of time that would have the effect of extending filing deadlines imposed by the Court or which would cause the 30-day period for filing the completed motion package to be exceeded without approval of the Court.

business days from the date of filing. The motion shall be accompanied by a certification from counsel for the moving party setting forth his or her efforts to confer with counsel for the opposing party about the status of any opposition, which shall be served on counsel for the opposing party. The motion shall be deemed unopposed and may be granted unless the Judge, for good cause shown, permits opposition to be submitted out of time.

4. Within seven (7) days of receipt of any opposition papers, unless the parties have agreed to a reasonable extension, the moving party shall serve one copy of its reply brief and any certifications, affidavits or other supporting documentation on all adversaries under a cover letter specifically identifying each document enclosed (with a copy of the cover letter without the enclosures to the chambers of the Judge to whom the case is assigned), and shall file an original and one copy of each moving paper, opposition paper and reply paper under a cover letter specifically identifying each document submitted (with a copy of the cover letter without the enclosures to all adversaries). The moving party shall insert the return date on the notice of motion before filing the motion package. Failure to file the completed motion package within the 30-day period of subpart B.1 above, or such extension thereof as has been granted by the Judge, will subject the notice of motion to dismissal for untimeliness. The return date shall be the next regularly scheduled motion day that is at least sixteen (16) business days from the date of filing, unless the parties agree to a later date.

5. Any cross-motion must arise directly from the substance of the original motion. In the event a party opposes a motion with a cross-motion, the cross-movant shall serve an original and two copies of its notice of cross-motion, brief (in opposition to the original motion and in support of the cross-motion)² and any certifications, affidavits or other supporting documentation on the moving party (with one copy to all other parties) under a cover letter specifically identifying each document enclosed, and shall send a copy of the cover letter without the enclosures to the Deputy Clerk of the Judge to whom the case is assigned for filing. Unless the parties agree to a reasonable extension, the original moving party shall have fourteen (14) days instead of seven (7) in which to serve its brief (in reply to opposition to the original motion and in opposition to the cross-motion)³ and any certifications, affidavits or other supporting documentation and to file the full original motion package in the manner described in Paragraph B.2. The moving party shall insert the same return date on the cross-movant's notice of cross-motion as it inserts on its own notice of motion. Unless the Court approves an extension of time, the cross-movant shall have seven (7) days from receipt of the reply/opposition papers in which to serve and separately file (in the manner described in Paragraph B.4) an original and one copy of its reply brief and any certifications, affidavits or other supporting documentation.

6. No sur-replies are permitted in the absence of the consent of opposing counsel and permission of the Judge to whom the case is assigned.

C. Oral Argument

² Without leave of the court pursuant to L.Civ.R. 7.1(b), a brief in opposition to the original motion and in support of the cross-motion shall not exceed 50 ordinary typed or printed pages, excluding pages required for the table of contents and authorities.

³ Without leave of the court pursuant to L.Civ.R. 7.2(b), a brief in reply to opposition of the original motion and in opposition to the cross-motion shall not exceed 40 ordinary typed or printed pages, excluding pages required for the table of contents and authorities.

If any party to a motion requests oral argument, the request should be noted in the cover letter enclosing the full motion package for filing. The decision whether or not to grant oral argument is left to the sound discretion of the Judge to whom the case is assigned. Generally, motions will be decided on the papers, pursuant to Fed. R. Civ. P. 78, unless the Court directs otherwise. Counsel may contact the chambers of the Judge to whom the case is assigned to inquire whether a request for oral argument has been granted and, if so, the date and time for same.

APPENDIX Q. GUIDELINES FOR MEDIATION

January 29, 1993; amended February 24, 1994, April 1, 1997, April 19, 2000

I. Case Management Responsibility of the Assigned Judicial Officers; Stay of Proceedings

Mediation is intended to afford litigants a less expensive alternative to traditional litigation. L.Civ.R. 301.1, which provides for both compulsory and voluntary mediation, is expected to conserve the resources of litigants which would otherwise be expended in discovery and to concentrate those resources on meaningful and intensive settlement negotiation. Mediation is also intended to conserve judicial resources, enabling Judges and Magistrate Judges to concentrate on cases which have not been referred to mediation. The Court expects and requires both litigants and their attorneys to participate in mediation in good faith.

Any case pending in the Court may be referred to mediation by the assigned Judge or Magistrate Judge. However, there are certain categories of cases (described in L.Civ.R.72.1(a)(3)(C)) which the Court has determined are not generally appropriate for mediation. Moreover, any pending case (other than in these categories) may be referred to mediation if all parties consent.

The referral of cases to mediation does not divest the assigned Judge and Magistrate Judge of the responsibility for exercising overall management control over a case during the pendency of the mediation process. However when a case is referred to mediation all proceedings (including pretrial motions or the pursuit of discovery) are stayed for a 90-day period. The purpose of this stay is to afford a reasonable period of time within which to reach a settlement. If it appears that it would be futile to continue mediation efforts before the stay expires the mediator may request that the case be restored to the active calendar forthwith.

When the stay expires, a case which has not been settled will be restored to the active calendar, protecting the parties from an extended (and unfruitful) stay. L.Civ.R. 301.1(e)(5) does provide that the parties and the mediator may make a joint application for an extension of the stay, thus recognizing that certain cases may need additional time for settlement. This application shall be made to and considered by the referring Judge or Magistrate Judge.

L.Civ.R. 301.1(b) provides for the designation of a "compliance judge for mediation." The duty of this judicial officer is to administer the mediation program and resolve procedural or substantive issues which might arise. Any such issue (including recusal of a mediator) may be brought to the attention of the compliance judge by either the parties or the mediator.

II. Mediator's Responsibility for Managing the Mediation Process

A. When a case is referred to mediation the compliance judge shall designate a mediator or co-mediators as may be appropriate. With the designation of a mediator the Court has delegated to him or her the authority to control and regulate the mediation process, including:

(1) Communicating with counsel to establish an expedited schedule for, among other things, the submission of position papers and the selection of dates for first and subsequent mediation sessions.

(2) Communicating on an *ex parte* basis.

(3) Determining and designating the appropriate representatives of parties, including individuals with settlement authority or other specific individuals, to attend mediation sessions.

B. The function of the mediator is to serve as a neutral facilitator of settlement. The mediator is expected to conduct the mediation process in an expeditious manner. Neither the parties nor the mediator may disclose any information presented during the mediation process without consent. The only exception to this rule of confidentiality is when disclosure may be necessary to advise the compliance judge of an apparent failure to participate in the mediation process.

Mediation, unlike arbitration, is not intended to be a fact-finding or decision-making process. Instead, the focus of mediation is to resolve the dispute between the parties. Resolution of that dispute may lead the parties and the mediator to explore questions of law or issues of fact beyond the scope of the pleadings or to reach settlements which go beyond the relief sought in the pleadings. In short, mediation is a flexible process which may be molded to fit the needs of a particular case. No specific procedures have been set for the mediator to follow. Instead, the intent of L.Civ.R. 301.1 is for the mediator to assist the parties to reach a negotiated settlement by conducting meetings, defining issues, defusing emotion and suggesting possible ways to resolve the dispute.

III. Attendance of Parties; Participation in a Meaningful Manner

The attendance of the parties or their representatives may be deemed by the mediator to be appropriate for mediation to proceed in a meaningful manner. Moreover, one of the goals of the mediation program is to involve both parties and attorneys more intimately. Likewise, the assurance of confidentiality furthers the intimate involvement of parties and attorneys as well as the frank and open discussion required for mediation to succeed. Accordingly, appropriate sanctions may be imposed on any party or attorney who fails to participate in a meaningful manner or to cooperate with the mediator or who breaches confidentiality.

IV. Compensation of Mediators

A. A mediator who is selected by the court or by the parties from the panel of mediators designated by the Chief Judge shall be compensated at the rate of \$250.00 an hour except for the first six hours of his or her time, which shall not be compensated. The time incurred by a mediator in reviewing the submissions of the parties shall be included in the calculation of his or her time. The compensation, which shall be paid equally by the parties, may not be varied by the consent of the parties.

B. A mediator who is selected by the parties who is not a member of the panel of mediators designated by the Chief Judge may be compensated according to the amount and terms mutually agreed to by the mediator and the parties. Such agreement must be in writing.

V. Mediation by Consent

If all parties consent to have a case referred to mediation the parties may request the appointment of a mediator from the panel approved by the Chief Judge or may select any other individual or organization to serve as the mediator.

APPENDIX R. Guidelines for Litigation Conduct

Introduction

The widely-perceived, accelerating decline in professionalism - often denominated "civility" - has been the subject of increasing concern to the profession for many, years. Twice since 1988, the American Bar Association has urged adoption of, and adherence to, civility codes. What has been lacking, however, is an ABA-endorsed model code. The GUIDELINES FOR LITIGATION CONDUCT fill that void.

These GUIDELINES are consensus-driven and state nothing novel or revolutionary. They are purely aspirational and are not to be used as a basis for litigation, liability, discipline, sanctions or penalties of any type. The GUIDELINES are designed not to promote punishment but rather to elevate the tenor of practice - to set a voluntary, higher standard, "in the hope that," in the words of former ABA President John J. Curtin, ⁴⁶some progress might be made towards greater professional satisfaction."

The GUIDELINES FOR LITIGATION CONDUCT are modeled on the Standards for Professional Conduct adopted by the United States Court of Appeals for the Seventh Circuit, a set of proven aspirational standards. Chief United States District Judge Marvin E. Aspen of Chicago, architect of the Seventh Circuit Standards, has accurately observed that civility in the legal profession is inextricably linked to the manner in which lawyers are perceived by the public - and, therefore, to the deteriorating public confidence that our system of justice enjoys.

Deteriorating civility, in former ABA President Lee Cooper's words, "interrupts the administration of justice. It makes the practice of law less rewarding. It robs a lawyer of the sense of dignity and self-worth that should come from a learned profession. Not least of all, it ... brings with it all the problems ... that accompany low public regard for lawyers and lack of confidence in the justice system."

The problem of incivility is more pervasive, and insidious, than its impact on the legal profession alone. As Justice Anthony M. Kennedy has stressed:

Civility is the mark of an accomplished and superb professional, but it is more even than this. It is an end in itself. Civility has deep roots in the idea of respect for the individual.

The decline in civility is not limited to the legal profession, but this profession has been in the forefront of those addressing this problem. These GUIDELINES are offered in this spirit.

Guidelines for Litigation Conduct

August 1998

Preamble

A lawyer's conduct should be characterized at all times by personal courtesy and professional integrity in the fullest sense of those terms. In fulfilling our duty to represent a client vigorously as lawyers, we will be mindful of our obligations to the administration of justice, which is a truth-seeking process designed to resolve human and societal problems in a rational, peaceful, and efficient manner.

A judge's conduct should be characterized at all times by courtesy and patience toward all participants. As judges we owe to all participants in a legal proceeding respect, diligence, punctuality, and protection against unjust and improper criticism or attack.

Conduct that may be characterized as uncivil, abrasive, abusive, hostile, or obstructive impedes the fundamental goal of resolving disputes rationally, peacefully, and efficiently. Such conduct tends to delay and often to deny justice.

The following Guidelines are designed to encourage us, judges and lawyers, to meet our obligations to each other, to litigants and to the system of justice, and thereby achieve the twin goals of civility and professionalism, both of which, are hallmarks of a learned profession dedicated to public service.

We encourage judges, lawyers and clients to make a mutual and firm commitment to these Guidelines.

We support the principles espoused in the following Guidelines, but under no circumstances should these Guidelines be used as a basis for litigation or for sanctions or penalties.

Lawyers' Duties to Other Counsel

- 1. We will practice our profession with a continuing awareness that our role is to zealously advance the legitimate interests of our clients. In our dealings with others we will not reflect the ill feelings of our clients. We will treat all other counsel, parties, and witnesses in a civil and courteous manner, not only in court, but also in all other written and oral communications. We will refrain from acting upon or manifesting bias or prejudice based upon race, sex, religion, national origin, disability, age, sexual orientation or socioeconomic status toward any participant in the legal process.**
- 2. We will not, even when called upon by a client to do so, abuse or indulge in offensive conduct directed to other counsel, parties, or witnesses. We will abstain from disparaging personal remarks or acrimony toward other counsel, parties, or witnesses. We will treat adverse witnesses and parties with fair consideration.**
- 3. We will not encourage or knowingly authorize any person under our control to engage in conduct that would be improper if we were to engage in such conduct.**

- 6. We will in good faith adhere to all express promises and to agreements with other counsel, whether oral or in writing, and to all agreements implied by the circumstances or local customs.**
- 7. When we reach an oral understanding on a proposed agreement or a stipulation and decide to commit it to writing, the drafter will endeavor in good faith to state the oral understanding accurately and completely. The drafter will provide other counsel the opportunity to review the writing. As drafts are exchanged between or among counsel, changes from prior drafts will be identified in the draft or otherwise explicitly brought to other counsel's attention. We will not include in a draft matters to which there has been no agreement without explicitly advising other counsel in writing of the addition.**

- 11. Whenever circumstances allow, we will make good faith efforts to resolve by agreement objections before presenting them to the court.**
- 12. We will not time the filing or service of motions or pleadings in any way that unfairly limits another party's opportunity to respond.**
- 13. We will not request an extension of time solely for the purpose of unjustified delay or to obtain unfair advantage.**
- 14. We will consult other counsel regarding scheduling matters in a good faith effort to avoid scheduling conflicts.**
- 15. We will endeavor to accommodate previously scheduled dates for hearings, depositions, meetings, conferences, vacations, seminars, or other functions that produce good faith calendar conflicts on the part of other counsel.**
- 16. We will promptly notify other counsel and, if appropriate, the court or other persons, when hearings, depositions, meetings, or conferences are to be canceled or postponed.**
- 17. We will agree to reasonable requests for extensions of time and for waiver of procedural formalities, provided our clients' legitimate rights will not be materially or adversely affected.**
- 18. We will not cause any default or dismissal to be entered without first notifying opposing counsel, when we know his or her identity, unless the rules provide otherwise.**

- 23. We will carefully craft document production requests so they are limited to those documents we reasonably believe are necessary, and appropriate, for the prosecution or defense of an action. We will not design production requests to place an undue burden or expense on a party, or for any other improper purpose.**
- 24. We will respond to document requests reasonably and not strain to interpret requests in an artificially restrictive manner to avoid disclosure of relevant and non-privileged documents. We will not produce documents in a manner designed to hide or obscure the existence of particular documents, or to accomplish any other improper purpose.**
- 25. We will carefully craft interrogatories so they are limited to those matters we reasonably believe are necessary, and appropriate, for the prosecution or defense of an action, and we will not design them to place an undue burden or expense on a party, or for any other improper purpose.**

- 27. We will base our discovery objections on a good faith belief in their merit and will not object solely for the purpose of withholding or delaying the disclosure of relevant information, or for any other improper purpose.**
- 28. When a draft order is to be prepared by counsel to reflect a court ruling, we will draft an order that accurately and completely reflects the court's ruling. We will promptly prepare and submit a proposed order to other counsel and attempt to reconcile any differences before the draft order is presented to the court.**
- 29. We will not ascribe a position to another counsel that counsel has not taken.**
- 30. Unless permitted or invited by the court, we will not send copies of correspondence between counsel to the court.**
- 31. Nothing contained in these Guidelines is intended or shall be construed to inhibit vigorous advocacy, including vigorous cross-examination.**

- 3. We will endeavor to work with other judges in an effort to foster a spirit of cooperation in our mutual goal of enhancing the administration of justice.**
